USEFUL INFORMATION

1. **Credit Card Interest Rate Policy**

This is American Express’ policy about how we adjust Credit Card interest rates based on your payment history. Under this policy, in the event we do not receive from you the minimum payment amount due on your statement of account by the relevant payment due date, you will be in default. If you have three or more defaults and/or one default which remains unpaid for two or more consecutive months in the last 12 months, we may adjust the interest rate applicable to your Card Account from 25.90% p.a. (or 26.90% p.a. with effect from 1 September 2019) to 29.99% p.a (subject to compounding). This higher interest rate will be in effect for 12 consecutive months. During this period, if you maintain a good credit record and your Card Account is not cancelled or terminated, your interest rate may be reinstated to our prevailing base interest rate.

2. **Repayment Grace Period**

The repayment grace period is 22 days from the date of the Statement of Account.

3. **Express Cash Charges**

A handling fee of 5% of your transaction amount will apply for each
transaction amount. Financial charges at 25.90% p.a. (or 26.90% p.a. with effect from 1 September 2019) will be charged upon the withdrawal date until the withdrawal amount and the relevant fees are settled in full.

4. Minimum Monthly Payment
The minimum payment amount due on a statement of account is 3% of the outstanding balance plus the total sum of any overdue minimum payment and late payment charges, and any amount exceeding your Credit limit, or S$50, whichever is greater.

5. Late Payment Charges
A late payment fee of S$90 per month will be charged if the minimum payment is not received by the due date.

6. Lost/Stolen Card Liability
Please notify us immediately on the loss of your American Express Card. You shall not be liable for any unauthorised charges made after you have given due notification to us, provided that neither you nor any Supplementary Card Member contributed to, or was involved in or benefited from the loss, theft or misuse of the Card. Your liability for unauthorised Charges effected before such notice shall be limited to S$100.

7. Foreign Exchange Charges
If we receive a transaction or refund for processing in a currency other than Singapore Dollars (“Foreign Charge”), that Foreign Charge will be converted into US Dollars first (unless it was submitted to us in US Dollars) and converted from US Dollars into Singapore Dollars. The conversion will take place on the date the Foreign Charge is processed by American Express, which may not be the same date on which the Foreign Charge was made as it depends on when the Foreign Charge was submitted to American Express. Exchange rate fluctuations can be significant. Unless a specific rate is required by applicable law or is used as a matter of local custom or convention in the territory where the transaction or refund is made (in which case we will look to be consistent with that custom or convention), you understand and agree that the American Express treasury system will use conversion rates based on interbank rates that it selects from customary industry sources and the rate is set each day from Monday to Friday including public holidays except for Christmas Day and New Year’s Day, increased by a single conversion commission of 2.5% (2.95% with effect from 1 March 2020). You acknowledge that any refund of a Foreign Charge may be different to the Foreign Charge amount originally processed on your Card Account. The difference is generally because: (i) the refund and Foreign Charge may be processed on different days with different rates; (ii) the refund may be only a partial refund for the Foreign Charge; or (iii) where third parties convert charges in foreign currency, those third parties may treat refunds differently to the original foreign currency charge. When making a transaction in foreign currency, you may be presented with the choice to allow a third party (for example, the retailer) to convert the transaction into Singapore Dollars before submitting it to us. If you choose this option, then that third party will determine the exchange rate and any commission or fees payable for the currency conversion and submit that transaction to us in Singapore Dollars, meaning we will not convert the transaction or apply a currency conversion fee. It is your decision whether to use such third party currency conversion or not and in such cases, you should check the fees and charges before completing the transaction to ensure that you do not pay more than necessary.

3. Liability

If you are the Basic Credit Card Member, you are liable to us for all Charges on the Basic Credit Card and any Supplementary Credit Card(s) issued at your request; and you agree that all these Credit Card(s) will be used in a manner consistent with these Terms and Conditions. If you are a Supplementary Credit Card Member, you agree to use each Supplementary Credit Card bearing your name in a manner consistent with these Terms and Conditions and you will be jointly and severally liable with the Basic Credit Card Member for all Charges made in connection with the Supplementary Credit Card. All communication sent or given to the Basic Credit Card Member or the Supplementary Credit Card Member is deemed to be sent or given to both. We have the right to appropriate all payments made by you in the manner we deem fit, notwithstanding any instructions given to us at the time of such payment. In the event that we receive contradicting instructions from the Basic Credit Card Member and the Supplementary
Credit Card Member(s), we may, in the exercise of our discretion, then only act on the instructions of the Basic Credit Card Member.

4. Credit Limit

We will determine your Credit Limit in respect of each Account. We may revise any of your Credit Limit(s) without prior notice. Your Credit Limit will also be shown on your monthly statement together with the amount of available credit at the statement closing date. You must not exceed the Credit Limit. Your Credit Limit will be cancelled if your Account is cancelled. If you fail to settle the minimum payment due on or before the payment due date, American Express reserves the right to revise the Credit Limit. You will not be entitled to interest on credit balances on your Account. If you have more than one Card issued by American Express, the Credit Limit is a combined Credit Limit for all the Card Accounts and the total indebtedness on the Card Accounts must not exceed the Credit Limit. If your total indebtedness exceeds the Credit Limit, you must make immediate payment of any excess above the Credit Limit.

5. Express Cash

Express Cash is available for Credit Card Members with more than six (6) months’ Credit Card Membership. If you wish to obtain cash advances with the Credit Card, you may apply for enrolment in the Express Cash facility. To do so you must complete and submit an enrolment form. We may decline your application at our discretion. If we accept your application, we will then send you a PIN. You will not be able to obtain cash advances with the Credit Card unless you have that PIN. You can withdraw up to 20% of your Credit Limit, subject to your available balance and up US$1,000 for overseas withdrawals in cash every 14 days. We may vary this amount from time to time. The applicable interest rate, handling charges, transaction charges and other Terms and Conditions for Express Cash transactions will be communicated to you. For Express Cash, the handling fee for each transaction shall be 5% of your transaction amount. Finance charges at 25.90% p.a. (or 26.90% p.a. with effect from 1 September 2019) will be charged upon the withdrawal date until the withdrawal amount and relevant fees are paid in full.

6. Annual Fee

Annual fees are payable for use of the Basic Credit Card and each Supplementary Credit Card at such rates as we communicate to you from time to time. Any fee reductions or waivers which may be offered by us from time to time may be withdrawn or restricted by us at any time.

7. GST

You shall be solely responsible for any GST, including any tax of a similar nature that may be substituted for it or levied in addition to it chargeable by law on any payment we are required by law to collect and pay in respect of such GST.

8. Interest

(i) You must pay interest on each Charge at the annual percentage rate shown on your statement from the date it is debited to your Account until it is fully repaid, except where an interest free period applies under (ii) below.

(ii) Interest is not payable on a Charge (other than a Cash Advance or Balance Transfer) if you paid the full Closing Balance on your previous
monthly statement by the minimum payment due date; and you also pay the full Closing Balance on your current monthly statement by the minimum payment due date.

(iii) Interest, if payable, is calculated by multiplying the daily balance of Charges on which interest is payable; by the daily percentage rate (annual percentage rate divided by 360); and then adding up the daily interest charges for the applicable period.

(iv) Interest, if payable, is debited to your Account on the last date of each statement period and is shown on your statement.

9. Variation of Interests, Fees and Charges

We are entitled, in our absolute discretion, to vary or determine at any time and from time to time the amounts, rates, types and/or basis of calculation of all interests, fees and charges payable by you herein without giving any reason. Any changes of interests, fees and charges may be contained in the statement and shall be effective from such date as we may specify. We may debit to your Account and/or request that you pay the same on demand as we deem fit.

10. Monthly Statement

We will send you a statement once a month for each billing period during which there is any activity or a balance outstanding on your Account. The statement will identify purchases, Cash Advances, Balance Transfer transaction, fees and all other Charges, payments and credits to your Account during the billing period. The statement will also disclose to you the interest charge, statement date, opening balance, new Charges, credits, Closing Balance, Credit Limit, Available Credit Limit at statement date, Payment Due Date and minimum payment. The time between successive monthly statements will vary depending upon the number of business days in the month. You agree to notify us in writing of any omission from or error on the statement within 22 days of the date of the statement. If you do not do so, the statement shall be conclusive and binding on you.

11. Minimum Payment

(i) The monthly statement will show the minimum payment you need to pay us which will be 3% of the outstanding balance plus the total sum of any overdue minimum payment and late payment charges, and any amount exceeding your Credit Limit, or S$50 whichever is greater.

(ii) The minimum payment is due and payable by you to us on or before the Payment Due Date. Payment takes place only when we receive it and credit it to your Account - not when you send it.

(iii) You will be required to pay us immediately if your Account is overdue or you exceed your Credit Limit. The amount you must pay will be notified on your statement.

(iv) You may pay more than the minimum amount due, pay us before the Payment Due Date, pay us more than once during the billing period or pay the balance outstanding on your Account at any time.

(v) You must always pay us in Singapore Dollars via the payment methods notified by us to you. You may also authorise your financial institution to debit directly from your account with them the total amount of the minimum payment due in the monthly statement (“Direct Debit”). If you select Direct Debit, we will advise you of the Terms and Conditions
governing its operation.

(vi) If we decide to accept payment in another currency, we shall convert your payment to Singapore Dollars at our rate and credit it to your Account.

(vii) If we receive a cheque, draft or other payment instrument from or for you that is not honoured in full, you agree to pay us the dishonoured amount plus any reasonable collection costs and legal fees we incur. If you pay us through Direct Debit and our debit to your account with a financial institution is not honoured in full, you agree to pay us the dishonoured amount plus any reasonable collection costs and legal fees incurred by us. We may charge a handling fee for any dishonoured cheque or payment order.

12. Late Payment Charge

If we do not receive payment of the minimum payment due shown on the monthly statement by the Payment Due Date, we reserve the right to impose a late payment charge of $90 per month or any other rate as may be determined by us from time to time.

13. Suspension/Termination

(i) **BY YOU:** You can terminate this Agreement at any time by giving us written notice and returning to us all Credit Cards issued for use on the Account. Termination will only be effective when we receive all such Credit Cards and payment of all amounts outstanding in respect of the Account. You can cancel the use of a Credit Card by Supplementary Credit Card Member by notifying us in writing but you will remain liable for all Charges incurred by the Supplementary Credit Card Member.

(ii) **BY US:** We can suspend the use of any Credit Card or terminate this Agreement at any time without having to give any reason or notice. Where we terminate the Agreement all monies outstanding on the Account (including Charges or Cash Advances not yet debited) will become due and payable immediately and you shall pay default interest thereon at the annual percentage rate shown on your statement or at such other rate as may be determined by us from time to time, from the date of termination until full payment. We may inform Establishments of cancelled Credit Cards. If the Credit Card is cancelled you must cut it in half and return both halves to us at once. You must hand it over to any Establishment that so requests or to any third party nominated by us. You agree not to use the Credit Card after it has been cancelled.

14. Authorisation

Certain Charges may need to be authorised by us before they will be accepted by an Establishment. We have the right to refuse authorisation for any Charge, Cash Advance or Balance Transfer transactions without cause or prior notice notwithstanding that the Credit Limit has not been exceeded and we shall not be liable to you or anyone else for any loss or damage resulting from such refusal. When we give an Establishment permission to charge your Account, we assume the transaction will take place and therefore reduce the Credit Limit on your Account by the sum authorised.

15. Foreign Exchange Charges

If we receive a transaction or refund for processing in a currency other than Singapore Dollars (“Foreign Charge”), that Foreign Charge will be converted
into US Dollars first (unless it was submitted to us in US Dollars) and converted from US Dollars into Singapore Dollars. The conversion will take place on the date the Foreign Charge is processed by American Express, which may not be the same date on which the Foreign Charge was made as it depends on when the Foreign Charge was submitted to American Express. Exchange rate fluctuations can be significant. Unless a specific rate is required by applicable law or is used as a matter of local custom or convention in the territory where the transaction or refund is made (in which case we will look to be consistent with that custom or convention), you understand and agree that the American Express treasury system will use conversion rates based on interbank rates that it selects from customary industry sources and the rate is set each day from Monday to Friday including public holidays except for Christmas Day and New Year’s Day, increased by a single conversion commission of 2.5% (2.95% with effect from 1 March 2020). You acknowledge that any refund of a Foreign Charge may be different to the Foreign Charge amount originally processed on your Card Account. The difference is generally because: (i) the refund and Foreign Charge may be processed on different days with different rates; (ii) the refund may be only a partial refund for the Foreign Charge; or (iii) where third parties convert charges in foreign currency, those third parties may treat refunds differently to the original foreign currency charge. When making a transaction in foreign currency, you may be presented with the choice to allow a third party (for example, the retailer) to convert the transaction into Singapore Dollars before submitting it to us. If you choose this option, then that third party will determine the exchange rate and any commission or fees payable for the currency conversion and submit that transaction to us in Singapore Dollars, meaning we will not convert the transaction or apply a currency conversion fee. It is your decision whether to use such third party currency conversion or not and in such cases, you should check the fees and charges before completing the transaction to ensure that you do not pay more than necessary.

16. Disclosure of Insurance Arrangements

We identify insurance providers and products that may be of interest to some of our customers. In this role we do not act as an agent or fiduciary for you, and we may act on behalf of the insurance provider, as permitted by law. We want you to be aware that we receive commissions from providers and commissions may vary by provider and product. Also, in some cases, an American Express entity may be the reinsurer and may earn reinsurance income. The arrangements we have with certain providers, including the potential to reinsure products, may also influence what products we identify. We do not require you to purchase any insurance product, and you may choose to cover your insurance needs from other sources on terms they may make available to you.

17. Lost, Stolen or Misused Credit Cards

You agree to notify us by telephone or otherwise, immediately if the Credit Card is lost, stolen, mutilated, not received when due or if you suspect that the Credit Card is being used without your permission. You shall be liable for any unauthorised use of the Credit Card to the extent permitted by law. You shall not be liable for any unauthorised Charges made after you have given notice to us, and your liability for unauthorised Charges effected before such notice shall be limited to S$100 or the equivalent thereof provided that you have acted in good faith and with reasonable care and diligence in safeguarding the Credit Card and in promptly notifying us. We may also require you to lodge a police report and furnish us with a copy thereof. The retrieval of the original Credit Card must immediately be reported to us and it must be cut in half and the pieces returned to us.
18. Change of Particulars
You must notify us immediately of any change(s) in your name, address and contact numbers. If you have a problem with your monthly statement, please contact us at once and we will take reasonable steps to assist you by providing such information as may be necessary in relation to Charges charged to your Account. We may charge a reasonable administrative fee for statement reprints or duplicate Record of Charge forms. If an Establishment issues a credit slip in respect of a Charge, we will, upon receipt, credit the amount shown on that credit slip to the Credit Card Account. No dispute with or claim against an Establishment shall entitle you to any right of set-off or counterclaim against us. We shall not be liable to you for goods or services supplied by any Establishment, or the quality or performance of any goods or services, charged with the Credit Card or if an Establishment refuses to accept the Credit Card. You must raise any claim or dispute directly with the Establishment concerned and, subject to any law to the contrary, you are not entitled to withhold payment from us because of such claim or dispute.

20. Renewal/Replacement Cards
The Credit Card will be valid until the expiration date printed on the face of the Credit Card. It is understood that you are requesting us to issue to you a renewal or replacement Credit Card before the current Credit Card expires. If you are the Basic Credit Card Member, you are also requesting us to issue to any Supplementary Credit Card Member(s) renewal or replacement Supplementary Credit Card(s) before the current Supplementary Credit Card(s) expire. We will bill renewal fees for the Account annually. We will continue to issue renewal or replacement Credit Cards and Supplementary Credit Card(s) unless any of the events in Clause 14 above occurs. We retain the right to suspend dispatch of renewal or replacement Credit Cards at our discretion.

21. Exchange Controls and Tax
