Useful Information

1. Credit Card Interest Rate Policy

This is American Express' policy about how we adjust credit card interest rates based on your payment history. Under this policy, you need to make a minimum payment of 3% of the outstanding balance reflected on your statement, or S\$50, whichever is higher. In the event we do not receive the minimum payment amount from you by the payment due date, you will be in default. If you have three or more defaults and/or one default which remains unpaid for two or more consecutive months in the last 12 months, we may adjust the interest rate applicable to your card account from 25.90% to 29.99%. This higher interest rate will be in effect for 12 consecutive months. During this period, if you maintain a good credit record, your interest rate will be reinstated to 25.90%. We will notify you in advance of any changes in your interest rate and the new rate will be shown on page 1 of your statement under "Pending Rate".

2. Repayment Grace Period

The repayment grace period is 22 days from the date of the statement of account.

3. Express Cash Charges

A handling fee of 5% of your withdrawal amount will apply for each withdrawal amount. Finance charges at 25.90% p.a. will be charged upon the withdrawal date until the withdrawal amount and the relevant fees are settled in full.

4. Minimum Monthly Payment

The minimum payment amount due on a statement of account is 3% of the outstanding balance plus the total sum of any overdue minimum payment and the late payment charges, and any amount exceeding your credit limit, or S\$50, whichever is greater.

5. Late Payment Charges

With effect from 1 May 2018, a late payment fee of S\$90 per month will be charged if the minimum payment is not received by the due date.

6. Lost/Stolen Card Liability

Please notify us immediately on the loss of your American Express Card. You shall not be liable for any unauthorised charges made after you have given due notification to us, provided that neither you nor any Supplementary Card Member contributed to, or was involved in or benefited from the loss, theft or misuse of the Card. Your liability for unauthorised Charges effected before such notice shall be limited to S\$100.

7. Foreign Exchange Charges

All charges made in a currency other than Singapore Dollars will be converted into Singapore Dollars. The conversion will take place on the date the Charge is processed by American Express, which may not be the same date on which you made your Charge as it depends on when the Charge was submitted to American Express. If the Charge is not in U.S. Dollars, the conversion will be made through U.S. Dollars, by converting the Charge amount in U.S. Dollars and then by converting the U.S. Dollars amount into Singapore Dollars. If the Charge is in U.S. dollars, it will be converted directly into Singapore Dollars. Unless a specific rate is required by applicable law, you understand and agree that the American Express treasury system will use conversion rates based on interbank rates that it selects from customary industry sources on the business day prior to the processing date, increased by a single conversion commission of 2.5%. If Charges are converted by third parties prior to being submitted to us, any conversions made by those third parties will be at rates selected by them.

8. Cash Payment Policy

There is no limit on the payment amount that you may wish to settle by GIRO/Internet/Cheque. However, should you prefer to settle your account by cash, the amount will be capped at S\$8,000 or the outstanding balance as shown on your current statement, whichever is lower.

Any balance will need to be made by AXS, cheque and/or Internet (OCBC, UOB & DBS). Payment via AXS will be capped at S\$3,000 per transaction or your daily transaction limit imposed by the Bank on your ATM card.

Unless a specific rate is required by applicable law, you understand and agree that the American Express treasury system will use conversion rates based on interbank rates that it selects from customary industry sources on the business day prior to the processing date, increased by a single conversion commission of 2.5%.
